WHY FUSIONBOT?

The FusionBot Reseller Program allows you to offer value added features to your client base, and earn an attractive discount in the process, without any additional investment required. Discounts start at 15% of each sale, and increase based on the number of subscriptions credited to your account.

Join our growing partner list, and add an additional revenue stream to your company's bottom line today.

The FusionBot hosted search application is just what your clients are looking for!

WHY ADD SEARCH?

Over **60% of all visitors are search dominant**, they go straight to the search box when visiting a site. Further, usability studies show the most important factor of an effective web site is intuitive navigation. However, nearly **80% of all web sites do not offer search** to their visitors. Why? Difficulty of implementation. FusionBot eliminates these barriers, making any site searchable in minutes, with unprecedented ease!

The FusionBot Reseller Program allows you and your customer's to enjoy:

- ▶ Reduced Time-To-Market
- ▶ Lower Total Cost-of-Ownership
- ▶ Customer Relationship Management Reporting
- ▶ Lead Referral commissions
- ▶ Search Configuration Support
- ▶ Co-Marketing Opportunities
- ▶ Key Competitive Differentiation
- ▶ Increased Customer Satisfaction
- ▶ Intuitive Web Site Navigation
- ▶ And more...
